Target America: Opening Eyes to the Damage Drugs Cause
Making Connections B

1. Name three illegal drugs.
2. Cocaine is derived from the coca plant. What countries primarily grow this illegal crop?
3. What does money laundering mean? What is one way drug traffickers launder money?
4. Name one thing you learned or remember from the *Brain Chemistry of Addiction*.
5. Name three things that are used to make methamphetamine.
6. How many children did the woman have who died in the car crash in Ohio involving the car in the exhibit? Was she using drugs?
7. Name one organization or agency that you might go to if you wanted more information about drugs.
8. Name at least two drug prevention or treatment programs available in Louisiana.
