Target America: Opening Eyes to the Damage Drugs Cause
Making Connections C
Post visit Activity

Name: _____

School: _____

Date: _____

1. What do you remember about the costs or consequences of drugs?

2. Choose one thing that made the biggest impact on you during your visit and write about what you saw, how it made you feel, and what it made you think of.

3. List 3 things that you learned from your tour of the *Target America* exhibit that you didn't realize before.

4. How did the exhibit make you feel in general?
